

2009-2010 Merit Badge Program

Boy Scouts Adventure at ORLANDO SCIENCE CENTER

Are you a Scout Leader with an incredibly busy schedule?
Let OSC facilitate a program to help your Scouts fulfill Merit Badge requirements.
All you have to do is organize the trip!

Programs are available for Boy Scouts and include a hands-on discovery-based workshop and admission to OSC.

BOY SCOUT DAYS

Boy Scout Days are designed to assist scouts in fulfilling recognition requirements. Whenever possible we create each program to provide an opportunity for Boy Scouts to earn awards specific to their rank. Please refer to your handbook for information regarding merit badge requirements.

Check-in begins one hour prior to programs. **Note: Blue cards are NOT provided. A Merit Badge counselor will be available to sign off blue card applications at the end of each workshop.**
