## II. Activities

### A. Campout Report - Bird Island

What was Good:

Swimming What was Bad:

Snorkeling Time (Only 30 minutes) The Campsite Assembly Line Bad  
Latrines Raccoons Sunscreen Program Items

B. Eagle Encampment - The Eagle Encampment this year is at LaNoChe, June 13-18. It is an air conditioned opportunity for scouts to earn many merit badges for eagle rank and get guidance. We currently have 3 people going, but want more. To go, you need to be 13 years of age or older.

C. Troop Leadership Training - The TLT this year is at Camp Ithiel from June 19-20. If you attend, you will learn about the inner workings of the troop and about all the positions. You will be "Trained". The Campout is only one night, and all leadership as well as others are encouraged to go.

D. KISC (Kandersteg) - The Trip to Kandersteg is drawing near, from June 30 through July 9. All medical forms are needed for a person to go. Parts A, B, and C are all needed. Get them in!

E. National Youth Leadership Training - The NYLT is a chance for young men to be put in leadership opportunities and be trained. It is from July 4 to the 9th, and we currently have three people going.

F. Deep Sea Fishing - Currently, instead of a theme park trip this year, we will go deep sea fishing on a boat! The trip will be on July 17th. To reserve a whole boat to ourselves, we need fifty people; so scouts and families are invited. The trip is \$60.00 per person.

G. LaNoChe Summer Camp - The LaNoChe Summer Camp is from July 25 to 31 and is a great opportunity for new and old scouts to earn merit badges. You will need to turn in Medical Forms A, B, and C to go.

## III. Old Business

A. Patrol Boxes - The Patrol Box Committee (Ryan) says that all the new boxes will be done by the August campout. There will be a build day and materials will be finalized.

## IV. New Business

A. Reorganization - There is going to be a small organization to some of the patrols currently in our troop. At this, argument is had. The scouts will be the one doing this reorganization, but if we cannot get the reorganization underway, they will step in. To head this organization, we made a few motions.

The first motion was that Steven heads up the organization committee. This motion was sent unamended to the vote, and then failed.

The second motion was that a committee of Patrol Leaders would handle the reorganization based on Patrol input. This motion was sent unamended to the vote, and then failed.

The third motion was that the Leadership Patrol would handle all the changes, accompanied by

patrol votes. This motion was sent unamended to the vote, and was then carried!

B. Other - The matter of singing the "Announcement" song has become out of hand. As such, the PLC made a motion to ban the "Announcement" song. This motion was amended so that the song may only be sung at summer camp. Then, this motion was put to the vote, and the motion was then carried!

#### V. Adult Input/Announcements

A. Mr. Algiers - In regard to fundraisers, the Festival Among The Lakes is meant for teaching the scouts, but may not be a cash turner. The Mount Dora Arts Festival is possible; we have been invited (good-to-go). Stay Tuned!

B. Mr. Cotter - Here comes an award opportunity! The "God in Church" award, to be precise. Sessions are Sunday night 5:30 - 7:00 on June 13,20,27, July 11 and 18. The sessions are at the church we have our meetings at. These sessions are for protestants but talk to Mr. Cotter and he may work out a different group.

The Troop Scribe apologizes for the lateness, Jacob N.
