

PLC Notes June 14, 2010

I. Staff Reports

- SPL (Andrew P) - The SPL is doing good. He says reorganization is done and the calendar has been modified.
- ASPL (Ryan) - This ASPL has been working on the calendar and planning the next outings; the Troop Leadership Training and Deep Sea Fishing Trip.
- ASPL (Duncan) - This ASPL needs to talk to the instructors. That is all.
- Guide (Travis) - This Guide has been teaching the new scouts. That is all.
- Guide (Patrick) - This Guide has been helping Mrs. Demers with summer camp.
- Scribe (Jacob N) - The scribe has been approved, and writing and sending notes.
- Quartermaster (Steven H) - The Quartermaster has talked with Ryan and the leadership patrol on how to make the Quartermaster Call fun.
- JASM (Robert) - The JASM was absent.
- Historian (Joey) - The Historian is adjusting to his position and is having fun.
- OA Representative (Tommy(Representative)) - The OA Rep. is going to many meetings.
- Librarian (Carlo) - The Librarian was absent.
- Instructor (Charlie) - This Instructor was absent.
- Instructor (Tommy) - This Instructor recently did a uniform inspection. He is doing fine and looking forward to his meeting with Duncan.
- Chaplain's Aide (Alex C) - The Chaplain's Aide is having fun, saying prayers, and can't wait to do his sermon.
- Webmaster (Joseph) - The Webmaster was absent.
- Leave No Trace Guide (Jonathan R) - The Leave No Trace guide is planning to do instructions on campsite cleaning. Maybe he should team up with the Instructors...
- Den Chief (Brandon) - The Den Chief says that there are new scouts in his group and that the most of them just graduated to Webelos 2. He continues to teach them to be better boy scouts.
- Cobra PL (Connor) - The Cobras are working hard on Animal Science Merit Badge, and everyone but the Patrol Leader will be attending summer camp.
- Hawk PL (Zachary) - The Hawks are working hard on their Citizenship in the Community Merit Badge.
- Scorpion PL (Oliver) - The Scorpions are teaching a scout that did not go to summer camp about their own experiences.
- Wolverine PLs (Peyton and Micheal H(Co-Leaders)) - The Lighting Patrol has recently been combined with the Dragon Patrol to become the Wolverine Patrol. The PLs of both the previous patrols will co-lead the new patrol. The 3 month plans of both people will be turned in and future merit badges will be completed. We will see, for the situation has changed.
- Sharks PL (JT M(Representative)) - The Sharks are preparing for Kandersteg.
- Tigers PL (Aaron N (Representative)) - The Tigers have been sitting in their room talking about random stuff.

II. Activities

- A. KISC - The Kandersteg trip is coming closer! The departure will be on June 30th and the return on July 6. We may cancel the troop meeting on July 5th if necessary.
- B. NYLT - The National Youth Leadership Training is being held from July 4 through the 9th. We currently have 3 people from our troop attending - which is pretty good.
- C. Deep Sea Fishing Trip - The Trip is currently scheduled for July 17. The form on the troop website is due June 21st. We need 50 people to attend to reserve a whole boat for ourselves. It is currently open to scouts and their families. You keep what you catch!
- D. Summer Camp LaNoChe - The Summer camp trip to LaNoChe is July 25th through the 31st. Scouts need to get gear and turn in their merit badge sign up forms.
- E. Northern Tier - The Troop Northern Tier trip is in one year. Thus, we need to collect interest. Interest forms are on the website and are due June 28th.

III. Old Business

A. Patrol Boxes - Ryan B says that he will meet with Mr. Haywood to pick a box material and see what the cost looks like.

B. Reorganizing/Combining Patrols - The reorganization of combining the Dragons and the Lightning has been completed by the Leadership. The resulting patrol is the Wolverines (see the Wolverine Patrol Report for details). The leadership cycle is still good.

IV. New Business

A. Calendar Approval - The Calendar has been approved. Still, Steven has made a motion to add LaNoChe to the next years summer camp rotation. His reasoning is that LaNoChe is closer to home and the new scouts will be more comfortable there. This was countered with the fact that we would have to go to LaNoChe EVERY year to make EVERY years' new scouts feel at home. The Motion stood Unamended and was put to the vote. It barely was carried with a vote of 8 to 7.

B. Cooking Opportunities - On June 25th, the troop is required to produce four chefs to cook for the church we have our meetings in. Two people have already volunteered and we still need two more. Volunteers are expected to be at the church at 10:30 AM to cook.
